

The Ohio Department of Developmental Disabilities Seeks Your Ideas!

Family Forums ... Coming in June to Six Locations, Statewide

You are invited to attend a Family Forum featuring an informative presentation on Ohio's budget, by DODD Director John Martin. County Board Superintendents, service providers, and family members will share and ask for ideas about how we can manage - but do more - with less. *We value your input, and need your feedback and suggestions* as we move forward in our planning process. We will be asking how you can use services differently, to help us continue to build good stewardship of the system while increasing your choices and independence. Please attend and share your thoughts with us. We're listening! No R.S.V.P. needed.
