LICCO Inc. recognizes outstanding performance

HEATH – LICCO Inc., the sheltered workshop operated by the Licking County Board of Mental Retardation and Developmental Disabilities (LCBMRDD), recently recognized Joe Suber as Team Member of the Month for July.

According to his supervisor, Suber has been an exceptional employee since he began working on projects for WS Packaging in the LICCO production department.

“Because of his efforts, his pay has increased and he is meeting or exceeding all of his goals,” says Workshop Specialist Debbie Rine. “He is a true team leader. Joe encourages and helps his fellow crew members. His attitude is great and it’s a pleasure working with him.”

Suber lives in Newark and has worked at LICCO since August 2006.

The LCBMRDD provides comprehensive services to more than 1,300 Licking County children and adults with mental retardation and developmental disabilities. The agency operates early intervention and preschool services at the E.S. Weiant (formerly Starlight) Center and the Ann Davino Center in Pataskala. It also oversees adult services at LICCO Inc. in Heath, residential supports, family respite, transportation and service coordination. The LCBMRDD is nationally accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) for providing high-quality support services to individuals with disabilities and their families.
