LICCO Inc. recognizes outstanding performance

HEATH -- LICCO Inc., the employment workshop operated by the Licking County Board of Mental Retardation and Developmental Disabilities (LCBMRDD), recently recognized John Ryan of Pataskala as Team Member of the Month for September.

He was selected for this honor based on his work ethic.

"John completes his work independently, said Workshop Specialist Debbie Rine. "He set and met all of his goals while working on a WS Packaging Group contract."

John previously worked at LICCO for many years, but moved with his family to California in the 1990s. John has since moved back to Licking County, and returned to LICCO in January 2006.

The LCBMRDD provides comprehensive services to more than 1,300 Licking County children and adults with mental retardation and developmental disabilities. The agency currently operates preschool and early intervention services at the E.S. Weiant Center; early intervention services at the Ann Davino Center in Pataskala; adult services at LICCO Inc. in Heath; residential supports; family respite; transportation services; and service coordination.

The LCBMRDD is nationally accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) for providing high-quality support services to individuals with disabilities and their families.
