LICCO Inc. recognizes top performers

HEATH -- LICCO Inc., the employment workshop operated by the Licking County Board of Mental Retardation and Developmental Disabilities (LCBMRDD), recently recognized three of its top performers in the first quarter of 2009.

Albert Hawkins was named LICCO Team Member of the Month in January. He has only worked at LICCO since November 2007, but already he is making an impression on the LCBMRDD's Adult Services staff.

"Albert is such an asset to his crew, and always lends a helping hand," said Workshop Specialist Lynn Ridenbaugh.

Hawkins is a resident of Newark.

Beth Prichard was selected as LICCO Team Member of the Month in February. Her enthusiasm and hard work earned her this honor, according to her supervisor.

"Beth can do any job that is assigned to her, and she completes it quickly and accurately," said Workshop Specialist Denise Linger.

Prichard lives in Newark and has worked at LICCO more than 16 years.

Nathan Smith of Newark was named March LICCO Team Member of the Month. He was chosen for this honor due to his ability to help LICCO meet important production deadlines.

"During the recent inclement weather, LICCO was shorthanded," explained Workshop Specialist Debbie Rine. "Nathan stepped in to learn new jobs and was a real team player. He helped to get the work out on time."

Smith has worked at LICCO since 1995.
