LICCO Inc. honors top performer

HEATH -- LICCO Inc., the employment workshop operated by the Licking County Board of Mental Retardation and Developmental Disabilities (LCBMRDD), recently recognized Amy Christy of Newark as Team Member of the Month for October.

Amy comes to work each day with a positive attitude and is motivated to get the job done, her supervisors say.

"The first thing she asks is if there is any work," says Workshop Specialist Jan Rice. "We appreciate her dedication to working at LICCO."

Adult Services Facilitator Nicki Forrer adds: "Amy's favorite jobs involve those that require her organizational skills in categorization and sorting. She likes being told she has done a good job."

Amy lives in Newark and has worked at LICCO since 2001.

The LCBMRDD provides comprehensive services to more than 1,300 Licking County children and adults with mental retardation and developmental disabilities. The agency currently operates preschool and early intervention services at the E.S. Weiant Center; early intervention services at the Ann Davino Center in Pataskala; adult services at LICCO Inc. in Heath; residential supports; family respite; transportation services; and service coordination.

The LCBMRDD is nationally accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) for providing high-quality support services to individuals with disabilities and their families.
