

# Keeping P. A. C. E.

Parents  Advocating  
for Children with Exceptional Abilities

## ► Attention Deficit-Hyperactivity Disorders ◀ AD/HD

*Presented by*

**Tom Diebold, Consultant, SST Region 11**

Come join us for an overview of Attention Deficit-Hyperactivity Disorders through simulation and lecture and learn lists of intervention strategies organized according to the symptoms of inattention, impulsivity, hyperactivity, disorganization, and memory deficits. We will also hear about the bio-chemical nature of ADHD, diagnosis and treatment procedures, and a brief review of Russell Barkley's theoretical model describing the role and function of behavior inhibition relative to the development of executive functions.

**Newark Public Library  
101 W. Main St. Room A  
Saturday, February 18, 2012  
9:00 AM – 3:00 PM**
